Be a Permanent Part of Mason Prep!

To celebrate our new building and 50th anniversary, we are pleased to offer you the opportunity to be a permanent part of Mason Prep. The Harriett Starr Mason Lower School Building was designed with a fresh air teaching and learning space - a courtyard where classes can gather and enjoy their studies outdoors. This unique spot, sure to become a student favorite, will be paved with bricks engraved with the names of those who hold a special place in their hearts for Mason Prep.
