

When: Every Thursday, 3:05 pm - 4:20 pm
January 10th - May 23rd (minus Spring Break holiday)
Who: Grades 2-3, maximum of 16 students

Cost: \$380 (19 classes)

Fee includes a snack (often homemade) and all materials

Come join the science exploration fun with long-time Mason Prep science teacher Cindy Renkas! Age-appropriate, fun activities include concepts related to properties of matter, density, chemical reactions, habitat needs of plants and animals and characteristics of different animal phyla. Along the way, students' ideas and suggestions will help guide what activities we choose to do each week.

TO REGISTER: E-MAIL THE TEACHER DIRECTLY at
cindyrenkas@yahoo.com

Registration will be on a first-come, first-served basis. You should receive confirmation of receipt of your registration request within 24 hours. Only 16 spots available!
