

**When: Every Wednesday, 3:05 pm - 4:20 pm**

**September 4 - December 11**

**Who: Grades 5-6, maximum of 16 students**

**Cost: \$260 (13 classes)**

***Fee includes all materials***

Come join the science exploration fun with long-time Mason Prep science teacher Cindy Renkas! A wide diversity of age-appropriate, fun hands-on activities emphasizing the scientific method and including concepts related to life, physical and environmental sciences, as well as technology, will be provided. Along the way, students' ideas and suggestions will help guide what activities we choose to do each week.

*Please note: Snacks will not be provided, but students are welcome at the beginning of each class to eat/drink snacks they bring.*

**TO REGISTER: E-MAIL THE TEACHER DIRECTLY at [cindyrenkas@yahoo.com](mailto:cindyrenkas@yahoo.com)**

**Registration will be on a first-come, first-served basis. You should receive confirmation of receipt of your registration request within 24 hours. Only 16 spots available!**

**Include this information in your e-mailed registration request:**
