## Publix.

Publix Super Markets has a great new program that will enable our school to make money every time you shop at Publix!

It's simple:

1. Sign up for a [Publix.com](https://publix.com) account.
2. Then log into your account and select "Mason Prep" school in your account settings.
3. Simply enter your phone number at checkout each time you shop.

Eligible purchases at Publix will help earn money for Mason Prep!

Harris Teeter's Together In Education program gives schools a chance to earn funds when you link your VIC card and shop Harris Teeter brands. When you shop Harris Teeter brands, and scan your store card, a percentage of your purchase is donated to the school of your choice. To help support our school, please ask the cashier to link your VIC card to Mason Prep. Our school code is 2005. You may also go online to [www.harristeeter.com/together-in-education](http://www.harristeeter.com/together-in-education) and link your card to Mason Prep. Remember to scan your card each time you check out. Also, cards must be re-linked each school year. In August, make sure to ask that they re-link your card to Mason Prep!

Traditional Box Tops clips are being phased out of production. Please download the new Box Tops App from the App Store and link to our school. Follow the instructions on the App and start scanning those receipts so we can continue earning Box Tops! Traditional Box Tops may continue to be found on many products as the stores transition. You can still clip these and send them to school too!
